

# STUDENT DRESS CODE

## 2025-2028

### PURPOSE

The purpose of this document is to provide an explanation of our Student Dress Code expectations and guidelines on the wearing of our school uniform. Our school is a uniform wearing school, having had a school uniform since 1971. The school uniform was changed to its current colours, logo and design in 2007.

These expectations and guidelines are informed by the Department of Education's [Policy and Procedure Register, Student Dress Code, version 6.1, implemented 01/11/2018](#), complies with the [Education \(General Provisions\) Act 2006](#), Part 10, Sections 360-363. Our Student Dress Code is reviewed from time to time in consultation with students, parents and staff.

Our Student Dress Code incorporates health and safety considerations including sun safety, is inclusive of students from diverse backgrounds and circumstances. Wearing the school uniform is also mentioned in our recently refreshed Heatley SS Behaviour Expectations Matrix.

In cases of very wet weather, students are permitted to wear gum boots or thongs or old shoes. Additionally in very wet weather, students will be asked to take off shoes inside the classroom to keep wet shoes off the carpets. No shoes, no play outside.

**Hats:**

Students must wear a sun safe hat (broad brimmed, bucket or legionnaire's style). Preferred hat colour is navy blue. School hats can be purchased ONLY from the Tuckshop. Peak caps are not sun safe. No sun safe hat, no play outside.

**Hair:**

- Students may wear 'scrunchies', ribbons or head bands in their hair, preferably in school colours.
- Hair style/colour should be tidy and appropriate for primary school aged children. Students with long hair are asked to tie it back to reduce the incidence of head lice infestation.
- Natural hair colour only, overtly bright hair colouring e.g. bright purple, green etc. is not appropriate. Students with coloured hair will be asked return to their natural hair colour as soon as possible. The exception is for sports days or fancy-dress days using wash out hair spray applied at home.

- medical bracelets (upon request by parent)
- necklaces for medical or religious reasons only (upon request by parent)

Students may be required to remove jewellery where there is a foreseeable risk of injury. Participation in sport has special requirements / restrictions to ensure the safety of all players. Students with excessive or non-permitted jewellery at any time will be directed to take it off and take to the office for collection on the way home.

**FREE OR FANCY-DRESS DAYS**

From time to time our school has free or fancy-dress days. On these days, clothing, hair, footwear and jewellery should be sensible (no singlets etc.), non-offensive, safe and sun smart.

Un-sun safe or revealing garments including miniskirts, extra short shorts, singlets, tank tops, sleeveless tops and items with inappropriate logos/slogans are also not permitted. Parents of students wearing such items will be contacted and students will be directed to change clothing.

**DRESS STANDARD EXPECTATIONS AND CONSEQUENCES FOR REFUSAL TO WEAR OR INAPPROPRIATE UNIFORM**

It is expected that all students wear our school uniform with pride and always have a neat and well-kept appearance.

Make up including false eyelashes, nail polish and false nails is not allowed. Students will be directed to wash off the makeup immediately and by the next school day, have removed the nail polish, false nails or false eyelashes.

If a student chooses repeatedly and deliberately not to follow our Student Dress Code with no reasonable excuse, further intervention strategies will occur including parent contact.

**EXCEPTIONAL CIRCUMSTANCES**

The school will assist those students experiencing genuine financial hardship to wear the school uniform. It is understood that particular circumstances may arise from time to time where uniform exceptions may be granted by the principal. For instance, if there are any cultural/religious/medical matters affecting the following of the Student Dress Code. In matters like this, parents should discuss this with the principal.
